

Product Specifications

PREC21HCBB | Revised October 2018

Product Description: The HiCare Detectable Beard Snood represents the latest advancements in detectable beard snood and hair contamination prevention technology. The HiCare Detectable Beard Snood benefits are two fold, not only does the product reduce foreign body contamination from stray facial hairs, but the integral metal grips make the product metal detectable, preventing the product itself becoming a foreign body contaminant.

Product Code: PEC21HCBB

Pack Quantity: Packs of 25

Pack Weight: 0.100kg

Product Dimensions: Adjustable / Stretch to 43cm

Colour Availability: Blue

Product Advantages:

- ✓ Detectable by conventional metal detection systems
- ✓ Highly visible bright blue colour for easy visual identification
- ✓ Significantly reduces foreign body facial hair contamination
- ✓ Two integral metal detectable grips reduces the risk of the product itself becoming a foreign body contaminant

Product Material(s): Manufactured from Polypropylene 56 Decitex (ISO 9001), featuring elastic made from nylon covered rubber and two Stainless Steel grips.

Dye Fastness: 4/5 Grey Scale C06A2S

Metal Detectability

The HiCare Detectable Beard Snood contains two 5mm Stainless Steel grips (Front & Back), which can be detected by correctly calibrated metal detection systems. The detectability of this material will vary based upon the metal detection systems being used and their calibration. Detectability performance will vary based on, but not limited to the following factors:

- Detector Calibration Levels
- Food Product Type (E.g. Wet, Dry, Frozen, Liquid)
- Aperture Dimensions
- Contaminant Orientation

For this reason BST recommend that all our products be thoroughly tested on your metal detection systems by a trained and certified professional. It may be the case that your equipment needs to be recalibrated in order to reliably detect this product and its fragments. Such a professional should be available by contacting the manufacturer of your metal detection system.
